# The Cutting — Miramar

## HUTT RIBS BAR & GRILL

Widening and lowering the cutting at Miramar. By 1921 the cutting had been extensively worked and was more or less, completed to its present form. The Gas Company ran trains through here to Miramar Wharf (completed in 1901) from 1913 up to the Second War.

*Alexander Turnbull Library c. Early 1900's.*
